

Goody Goody

In a single-serving bowl, place a large scoop of Turkey Hill Premium Chocolate Marshmallow Ice Cream. Over this, drizzle maple syrup and sprinkle a tablespoon of fresh broken walnuts. Cut a banana in half lengthwise, and quartering one of the halves, stand a slice of banana on each side of the dish. Place a maraschino cherry beside each slice. Top the ice cream with whipped cream and powdered sugar. (The Dispenser's Formulary or Soda Water Guide recommends serving this with a glass of water.)
