It’s PUMPKIN season on supermarket shelves.
The flavor of the month is showing up in some fun new places:

**ICE CREAM**
Turkey Hill’s Pumpkin Pie Ice Cream with cinnamon graham cracker swirl has been off the market for about 10 years. Now it’s back—just for the month. From $4 for 1.5 quarts; at grocery stores.

**YOGURT**
Inspired by Starbucks’ popular Pumpkin Spice Latte—and consumer requests—Yoplait has released a 90-calorie Pumpkin Pie Light yogurt. $2 for four; at grocery stores.

**BREAD**
Piggybacking on the success of their limited-run cranberry bagels and muffins, Thomas’ execs decided to make Pumpkin Spice English Muffins for fall. From $4 for six; at grocery stores.

**COOKIES**
Pepperidge Farm turned two seasonal favorites (pumpkin and cheesecake) into new Pumpkin Cheesecake Cookies. $3.50 for 8.6 ounces; at grocery stores.
